

UWP

User interface

WINDOWS &gt; GUIDES &gt; USER INTERFACE

# Customizing our UWP PDF viewer

Nutrient UWP SDK makes it easy to customize the user interface. Our robust API for configuring behavior and appearance lets you hide or add buttons, change colors to match your look and feel, trigger workflows, and much more.

## Key capabilities

- ⌘ **Styling** — Adjust colors, font, and more
- ⌘ **Buttons** — Change styling and replace icons
- ⌘ **Toolbars** — Remove, rearrange, and create new tools
- ⌘ **Localization** — Make your app available in other languages
